# Contents

### 1. Purpose

The purpose of the SOP is to guide interested and eligible accommodations to operate as facility quarantine for tourists on self-payment basis. These facilities would provide better amenities, facilities and services while health and safety protocols, security, testing and other quarantine protocols will be followed as per the Guidance and on quarantine for COVID-19 developed by the Ministry of Health.

### 2. Objective

The primary objective of the SOP is to enhance the overall quarantine experience for tourists.

# 3. Quarantine procedure

- 1. The quarantine facility should be cordoned off with barricade to restrict the movement of people in and out of the facility;
- 2. Tourist will be transferred from airport to the designated facility quarantine in a government designated vehicle. Tourist arrival information must be shared with the Prime Minister's Office (PMO) in advance to make transportation arrangements;
- 3. Quarantine facility and room booking for guests must be done before arrival of the guests. Upon arrival, the guests will be ushered into their respective rooms after proper registration verification. The hotel staff shall facilitate in luggage handling of the guests;
- 4. Guests must be briefed on the Do's and Don'ts. Brochures on Do's and Don'ts must be kept in every room;
- 5. Only one guest can occupy one room unless guests are couple or escorting children;
- 6. Tourists are not allowed to move out of the hotel room except if allowed or instructed by the designated official at such facilities. Similarly, hotel staff and Desuups on duty are NOT allowed to enter the guestroom;
- 7. Visitors shall not be allowed to enter the quarantine facility;
- 8. The designated Desuups shall monitor the health of the guests daily for signs and symptoms. If a guest develops fever or sign/symptoms of a respiratory illness, he/she call 2121 for further assistance;
- In the case of guests requiring psychological counseling support, the facility manager shall inform the National COVID-19 Mental Health Team or an individual may call 17123237/38/39/40/41;
- 10. Personal laundry shall be done by the individuals themselves ;
- **11**. Guest will be issued a letter/certificate of completion of quarantine at the end of the quarantine period; and

## 4. Duration of quarantine

Tourists with full vaccination will have to stay in facility quarantine for 5 days irrespective of vaccination and recovered status. The duration of quarantine may change depending on the COVID-19 situation and as advised by the government.

### **5. Testing**

Testing for COVID-19 will be conducted as per the testing frequency and schedule of the MoH (Annexure 1). Those testing positive will be shifted to isolation facility for further management. The Desuup on duty shall inform the quarantine individuals (tourists) on the COVID-19 testing schedule.

## 6. Minimum facilities and services

The tourist quarantine facility should provide facilities and services equivalent to that of a 3 star tourist standard accommodations. The following amenities, services and facilities must be provided to the guests in the tourist facility quarantine:

| Area       | Requirements   | Remarks                         |  |  |
|------------|--|---------------------------------|--|--|
| Meals      | Breakfast  |                                 |  |  |
|            | Lunch  | Meal package with rates must be |  |  |
|            | Dinner   | submitted to TCB                |  |  |
|            | 2 Snacks   |                                 |  |  |
|            | Menu for children including baby                         |                                 |  |  |
| Guest Room | Tourist quarantine facility should provide minimum       |                                 |  |  |
|            | facilities and services as follows:                      | A minimum of 3 star standards   |  |  |
|            | - Boiler   | facilities and services must be |  |  |
|            | - Tea/coffee set (sachet)                                | provided.                       |  |  |
|            | - Mineral water- 4 liters/day                            |                                 |  |  |
|            | - Pillows-2 nos/person                                   |                                 |  |  |
|            | - Blankets   |                                 |  |  |
|            | - Bed sheets   |                                 |  |  |
|            | -Mattress (minimum 14 cm thickness) and mattress         |                                 |  |  |
|            | protector  |                                 |  |  |
|            | - Study table and chair                                  |                                 |  |  |
|            | - Functional power socket                                |                                 |  |  |
|            | - Black out and sheer curtain                            |                                 |  |  |
|            | - Room slipper   |                                 |  |  |
|            | - Hand sanitizer   |                                 |  |  |
|            | - Fire proof dust bin with disposable bin liner- 2 (food |                                 |  |  |
|            | and non-food waste)                                      |                                 |  |  |

|            | - Broom, dust collector and Mop  |                                   |  |  |  |

|            |  | and helpful in contact tracing.   |  |  |  |
|            |  |                                   |  |  |  |

# 7. Medical and PPE item list

While the Basic PPEs for Desuups will be provided by the Ministry of Health, the following medical and PPE must be arranged by the hotel:

i. Hand sanitizers
ii. Face mask, face shield and N-95 mask (If necessary)
iii. Gloves and gown (Apron)
iv. Disinfectant/cleaning agent
v. Basic medicines (Over the counter medicines)
vi. Waste Bins with bin liners

### 8. Quarantine expenses

Cost for accommodation, meals, necessary COVID-19 test and others will be borne by the guest. For any damages in the facility, the guest be would be liable for it.

However, Desuups on duty are a part of the quarantine facility team and must be considered a part of the hotel staff and the accommodation and meals should be provided by the hotel.

### 9. Management team

The Quarantine facilities shall be managed by the following:

- 1. Desuup or any officials deputed by the government for security and safety;
- 2. Minimum of 5 staff to provide adequate services as follows:
  - 2 in kitchen and serving;
  - 2 for housekeeping; and
  - 1 for overall management

To protect the physical and mental well-being, the hotel staff must be given the option for rotation of duty after the completion of each quarantine period.

# 10. Meal and Visitor timing

| Breakfas | t: 8:00 AM - 9:00 AM |  |
|----------|----------------------|--|
| Tea      | : 11 am              | (Meals must be pre-ordered for delivery on time) |
| Lunch    | : 12:30 PM - 1:30 PM |  |
| Tea      | : 3 PM               |  |
| Dinner   | : 7:00 PM - 8:00 PM  |  |
