Tha (05)/2018/ 1057

28 December 2018

1. Regional Directors, RIOs (P/ling, S/jongkhar, Samtse and Gelephu).
2. Inspection and Training Division, Department of Immigration, Thimphu.

Dear Colleagues,

Pursuant to our discussions during Mid-term Review of the First Annual Conference (Thimphu, 26-27 September 2018), please advise all interior checkpoints under your respective jurisdictions to note the following:

1. All tourists (SDF paying and regional) cleared through the online visa/e-permit system should be permitted to travel to any place mentioned on their approved itinerary/route permit as per their convenience.
2. The date of travel, however, must be within the approved block dates of their visit (i.e. within the date of arrival into the country and the date of departure from the country).

Accordingly, all checkpoints should be advised to facilitate travel as per the convenience of the tourist(s) so long as it is to places specified on the approved itinerary/route permit and the travel is undertaken within the approved dates of their visit.

Issued for strict and immediate compliance.

Yours sincerely,

  
Pema L. Dorji  
Director
